Amatsu-MikoboshiPrimordial of Void

Amatsu-Mikaboshi/Evil-God from japanese mythology have the power **to have traits and powers of an Anti-God or Primordial Void**. The opposite of Monotheistic Deity Physiology. Destructive variation of Omnipotence. Also be called

Darkness Essence, Decreator/Destroyer Physiology, Primordial Evil, Primordial Void, Supreme Degenerator, Creator of Evil/Darkness, Supreme Darkness, Ultimate Evil, Ultimate Malevolence and Ultimate Destroyer/Annihilator

Capabilities

Anti Gods or Primordial Voids represent the counterpart and sometimes the dark aspects of a Supreme Deity in many verses, they existed before the multiverse itself and are considered the essence of all evil, darkness, chaos and the ultimate decreator of the universe ranking them among the most powerful entities.

Universal Differences

Anti Gods are vital to the balance of the cosmos as they represent the other side of the coin in the perpetual conflict between good and evil.

As there is only one Supreme God, there can only be one Anti-God.

Some are not villains but destructive aspects or forces vital that are charged to bring the universe to an end.

The Anti-God is not to be confused for a demon but is the originator of all demonic forces and everything related to it.

Though they existed before the universe itself their origin can be originated from 3 sources:

_They may be split or purged aspects of God's dark attributes.
Tathamet (Diablo)_

_Twin or counter aspects of God. Angra Mainyu (Zoroastrian
Mythology)_

_Primordial form of existence which existed before the creation.
Mikaboshi (Marvel Comics)_

Where as a God plays the role of "Creator", the Anti-God plays the role of "Destroyer".

Applications

Anti-Gods are beings of unlimited power giving them the ability to destroy entire universes; in some cases even compared to the supreme creator, a clash between them could cause the multiverse to be destroyed and recreated. Anti-Gods represent and are the prime originators of all that counters creation, giving it absolute domain over dark powers.
